

# UAF eCampus is Here to Help You Meet Your Education Goals

## Why choose UAF eCampus?

**Quality:** UAF has been a national leader in online education for over 50 years.

**Variety:** We offer 52 online programs - from short endorsements to graduate programs, with hundreds of online courses.

**Affordable:** We offer the employees of our corporate partners a 10% tuition discount for eCampus courses, and eCampus tuition is always at the Alaska resident rate, no matter where students are located.

**Supportive:** Our team offers individual student support from enrollment through completion.

**Convenient:** Our online, asynchronous programs are all about access - designed with busy working adults in mind.

UAF eCampus supports students across  
250 Alaskan communities, all 50 states,  
and 39 countries.
